

I-10 Broadway Curve Improvement Project

Loop 202 to Interstate 17

July 26, 2021

I-10 Broadway Curve Improvement Project virtual public information meeting set for Wednesday, August 4

The Arizona Department of Transportation will host a virtual public meeting to share important information about the upcoming Interstate 10 Broadway Curve Improvement Project on Wednesday, Aug. 4.

ADOT encourages everyone who lives in, works in, visits or just passes through the metro-Phoenix region to stay informed about highway closures or other construction activity, detour routes and progress of the project. The virtual public meeting is a good first step to learn more about what to expect in the next three years of construction; meet the project team; ask questions and provide input; and find out how to stay informed.

MEETING DETAILS:

When: 5:30 to 7 p.m. Wednesday, Aug. 4, with a presentation beginning at 6 p.m.
