I-10 Broadway Curve Improvement Project

48TH STREET CLOSURE BETWEEN 14TH STREET AND MEDTRONIC WAY (March 4, 2022)

Bridge building and utility relocation work will require closing 48th Street in Tempe between 14th Street and approximately 200 feet north of Medtronic Way. The closure is expected to begin on March 7, 2022 and last for approximately 90 days. This work will limit business access to 12th and 14th streets and Medtronic Way, but will provide adequate access for deliveries and first responders in case of an emergency.

Northbound detour:

Take 14th Street east to 52nd Street. Turn left onto 52nd Street. Turn left onto University Drive and turn left onto 48th Street.

Southbound detour:

Take 48th Street north to University Drive. Turn right onto University Drive. Turn right onto 52nd Street and turn right onto 14th Street.
