

Southbound State Route 143 narrowed to one lane near University Drive for bridge work Monday, Nov. 28, to Thursday, Dec. 1

PHOENIX – The Arizona Department of Transportation advises motorists to plan ahead and be prepared to merge safely while a section of southbound State Route 143 is narrowed to one lane between University Drive and Interstate 10. The restriction will be in place continuously from 8 p.m. Monday, Nov. 28, to 11:59 p.m. Thursday, Dec. 1.

Crews with the [Interstate 10 Broadway Curve Improvement Project](#) are continuing to build new bridges that will improve traffic flow between I-10 and SR 143.

For more information on the I-10 Broadway Curve Improvement Project, and for future project-related restrictions and closures, visit i10broadwaycurve.com

Please note: Schedules can quickly change because of weather and other unforeseen situations. For the most up-to-date information, we encourage you to download the Interstate 10 Broadway Curve Improvement Project's free mobile app, [TheCurve](#) or visit the [Alerts section of the project website](#) before you travel.

###

The I-10 Broadway Curve Improvement Project is identified in the Maricopa Association of Governments' Regional Transportation Plan, funded by a half-cent sales tax approved by Maricopa County voters in 2004 through Proposition 400. MAG identified the need for this project to reduce travel times on I-10 during peak hours; improve airport access; support ridesharing and transit; and prepare the region for future growth projections. Learn more about the major improvements [here](#).
