

**Southbound SR 143 to close between Loop 202 (Red Mountain Freeway)
and I-10 (Aug. 25-28)**

Drivers should expect delays and plan for detours

PHOENIX – The Arizona Department of Transportation is advising motorists to plan ahead and expect delays as southbound State Route 143 will be closed between Loop 202 (Red Mountain Freeway) and Interstate 10 from 10 p.m. Friday, Aug. 25, to 4 a.m. Monday, Aug. 28, for overhead sign removal and a traffic shift. At the same time, the following ramps will be closed:

- The ramps from Loop 202 (Red Mountain Freeway) to southbound SR 143
- The westbound Loop 202 (Red Mountain Freeway) off-ramp at Sky Harbor Boulevard
- The southbound SR 143 on-ramps at Washington Street, Sky Harbor Boulevard.

Southbound SR 143 detour for westbound Loop 202 drivers: Use westbound Loop 202 (Red Mountain Freeway) to eastbound I-10 to access destinations south of the closure.

Southbound SR 143 detour for eastbound Loop 202 drivers: Use eastbound Loop 202 (Red Mountain Freeway) to southbound Loop 101 (Price Freeway) to westbound US 60 to access destinations south of the closure.

East Valley airport access: From Loop 202 (Red Mountain Freeway), use southbound 44th Street.

Note: Several other ramp and lane closures are also scheduled for this weekend. For information about additional weekend restrictions and closures, visit www.i10broadwaycurve.com.

Please note: Schedules can quickly change because of weather and other unforeseen situations. For the most up-to-date information, we encourage you to download the Interstate 10 Broadway Curve Improvement Project's free mobile app, [TheCurve](#) or visit the [Alerts section of the project website](#) before you travel.

###

The I-10 Broadway Curve Improvement Project is identified in the Maricopa Association of Governments' Regional Transportation Plan, funded by a half-cent sales tax approved by Maricopa County voters in 2004 through Proposition 400. MAG identified the need for this project to reduce travel times on I-10 during peak hours; improve airport access; support ridesharing and transit; and prepare the region for future growth projections. Learn more about the major improvements [here](#).
