

**Eastbound I-10 to close between US 60 and Loop 202 (Santan/South Mountain Freeway)  
(Oct. 20-23)**

*Drivers should expect delays and plan for detours*

PHOENIX – The Arizona Department of Transportation is advising motorists to plan ahead and expect to use detours as eastbound I-10 will be closed between US 60 and Loop 202 (Santan/South Mountain Freeway) from 11 p.m. Friday, Oct. 20 to 4 a.m. Monday, Oct. 23, for bridge work. At the same time, the following ramps will be closed:

- The westbound US 60 ramp to eastbound I-10
- The HOV Ramps connecting I-10 and US 60
- The eastbound I-10 on-ramps at Broadway, Baseline, Elliot, Warner and Ray roads
- The eastbound US 60 on- and off-ramp at Mill Ave.

**Eastbound I-10 Detour:** Use eastbound Loop 202 (Red Mountain Freeway) or eastbound US 60 to southbound Loop 101 (Price Freeway) to westbound Loop 202 (Santan Freeway) to access eastbound I-10 beyond the closure.

**West Valley drivers** can bypass the closure by using the Loop 202 (South Mountain Freeway). From I-10 and 59th Avenue, travel south and east to connect with I-10 south of Chandler Boulevard.

***Please note:*** Schedules can quickly change because of weather and other unforeseen situations. For the most up-to-date information, we encourage you to download the Interstate 10 Broadway Curve Improvement Project's free mobile app, [TheCurve](#) or visit the [Alerts section of the project website](#) before you travel.

###

*The I-10 Broadway Curve Improvement Project is identified in the Maricopa Association of Governments' Regional Transportation Plan, funded by a half-cent sales tax approved by Maricopa County voters in 2004 through Proposition 400. MAG identified the need for this project to reduce travel times on I-10 during peak hours; improve airport access; support ridesharing and transit; and prepare the region for future growth projections. Learn more about the major improvements [here](#).*
