Northbound SR 143 to close between Broadway Road and Loop 202 Red Mountain Freeway (March 16-18) *Plan to use detours and expect delays*

PHOENIX - The Arizona Department of Transportation is advising motorists to plan ahead and expect delays as northbound SR 143 between Broadway Road and Loop 202 (Red Mountain Freeway) will be closed from 10 p.m. Saturday, March 16 to 4 a.m. Monday, March 18 for paving and a traffic shift. At the same time, the following ramps will be closed:

- The northbound SR 143 on-ramp at University Drive
- The westbound I-10 ramp to northbound SR 143

Westbound I-10 to northbound SR 143 detour: Use westbound I-10 to eastbound Loop 202 (Red Mountain Freeway) to access southbound SR 143.

Motorists traveling on southbound I-17, westbound I-10 and westbound US 60 that are heading to **Phoenix Sky Harbor International Airport** should use westbound I-10 to access the airport entrances at 24th Street or Buckeye Road, or use the Sky Harbor Boulevard entrance from the Loop 202 (Red Mountain Freeway).

Eastbound I-10 to northbound SR 143 detour: Use eastbound I-10 to eastbound US 60 to northbound Loop 101 (Price Freeway) to westbound Loop 202 (Red Mountain Freeway) to access southbound SR 143.

Please note: Schedules can quickly change because of weather and other unforeseen situations. For the most up-to-date information, we encourage you to download the Interstate 10 Broadway Curve Improvement Project's free mobile app, [TheCurve](#) or visit the [Alerts section of the project website](#) before you travel.

###

The I-10 Broadway Curve Improvement Project is identified in the Maricopa Association of Governments' Regional Transportation Plan, funded by a half-cent sales tax approved by Maricopa County voters in 2004 through Proposition 400. MAG identified the need for this project to reduce travel times on I-10

during peak hours; improve airport access; support ridesharing and transit; and prepare the region for future growth projections. Learn more about the major improvements [here](#).
