Plan for the long-term closure of the eastbound Interstate 10 off-ramp at Baseline Road
Plan to use detours and expect delays

PHOENIX – The Arizona Department of Transportation is advising motorists to plan ahead for the long-term closure of the eastbound Interstate 10 off-ramp at Baseline Road. The off-ramp will close at 10 p.m. on Friday, May 10, for ramp reconfiguration.

This closure is expected to last into July. During the closure, drivers traveling on eastbound I-10, will need to exit at Elliot Road, turn left onto eastbound Elliot Road to access westbound I-10 and exit at Baseline Road.

Drivers traveling westbound US 60 can use the off-ramp at Priest Drive to access Baseline Road.

Please note: *Schedules can quickly change because of weather and other unforeseen situations. For the most up-to-date information, we encourage you to download the Interstate 10 Broadway Curve Improvement Project's free mobile app, [TheCurve](#) or visit the [Alerts section of the project website](#) before you travel.*

###

The I-10 Broadway Curve Improvement Project is identified in the Maricopa Association of Governments' Regional Transportation Plan, funded by a half-cent sales tax approved by Maricopa County voters in 2004 through Proposition 400. MAG identified the need for this project to reduce travel times on I-10 during peak hours; improve airport access; support ridesharing and transit; and prepare the region for future growth projections.
