**Westbound I-10 to close between Loop 202 (Santan/South Mountain Freeway)
and US 60 (May 3-6)**

Plan to use detours and expect delays

PHOENIX - The Arizona Department of Transportation is advising motorists to plan ahead and expect delays as westbound I-10 will be closed between Loop 202 (Santan/South Mountain Freeway) and US 60 from 10 p.m. Friday, May 3, to 4 a.m. Monday, May 6, for paving and bridge work. At the same time, the following ramps will be closed.

- The westbound I-10 on-ramps at Wild Horse Pass Boulevard/Sundust Road, Chandler Boulevard and Ray, Warner and Elliot roads
- The westbound Loop 202 (Santan Freeway) ramps to westbound I-10
- The eastbound Loop 202 (South Mountain Freeway) ramp to westbound I-10

Westbound I-10 Detour: Use eastbound Loop 202 (Santan Freeway) to northbound Loop 101 (Price Freeway) to westbound US 60 or westbound Loop 202 (Red Mountain Freeway) to access westbound I-10 beyond the closure

Drivers heading to the West Valley may bypass the closure by using the Loop 202 (South Mountain Freeway) west and north to connect with I-10 at 59th Avenue.

Please note: Schedules can quickly change because of weather and other unforeseen situations. For the most up-to-date information, we encourage you to download the Interstate 10 Broadway Curve Improvement Project's free mobile app, [TheCurve](#) or visit the [Alerts section of the project website](#) before you travel.

###

The I-10 Broadway Curve Improvement Project is identified in the Maricopa Association of Governments' Regional Transportation Plan, funded by a half-cent sales tax approved by Maricopa County voters in 2004 through Proposition 400. MAG identified the need for this project to reduce travel times on I-10 during peak hours; improve airport access; support ridesharing and transit; and prepare the region for future growth projections.
