

**Westbound Interstate 10 to close between Loop 202 (Santan/South Mountain Freeway)
and I-17 (Aug. 16-19)**

Expect delays and detours

PHOENIX – The Arizona Department of Transportation is advising motorists to plan ahead and expect delays as westbound Interstate 10 will be closed between Loop 202 (Santan/South Mountain Freeway) and I-17 from 10 p.m. Friday, Aug. 16, to 4 a.m. Monday, Aug. 19, for a traffic shift. At the same time, the following ramps will be closed:

- The ramps from Loop 202 (Santan/South Mountain Freeway) to westbound I-10
- The ramps from westbound US 60 to westbound I-10
- The southbound State Route 143 ramp to westbound I-10

The following ramps will also be closed from 8 p.m. Friday, Aug. 16, to 4 a.m. Monday, Aug. 19:

- The westbound I-10 on-ramps at Wild Horse Pass Boulevard/Sundust Road, Chandler Boulevard, Ray, Warner, Elliot, Baseline and Broadway roads and 40th and 32nd streets
- The westbound US 60 on-ramps at McClintock Drive, Rural Road and Mill Avenue

Westbound I-10 detour: Use eastbound Loop 202 (Santan Freeway) to northbound Loop 101 (Price Freeway) to westbound Loop 202 (Red Mountain Freeway) to access westbound I-10 beyond the closure.

Drivers heading to the West Valley can bypass the closure by using the Loop 202 (South Mountain Freeway) west and north to connect with I-10 at 59th Avenue.

Drivers traveling westbound on I-10 and US 60 heading to Phoenix Sky Harbor International Airport should use northbound Loop 101 (Price Freeway) to westbound Loop 202 (Red Mountain Freeway) and use the Sky Harbor Boulevard entrance.

New lane configuration: When westbound I-10 reopens, drivers can expect a new lane configuration. The split lane configuration between 32nd and 24th streets will be removed and all westbound lanes will shift toward the right shoulder. **Additionally**, the westbound Collector-Distributor (CD) Road will be opened. For more information on how the CD lanes work, visit: <https://i10broadwaycurve.com/findyourlane/>

Please note: *The Arizona Department of Transportation advises drivers to use designated detours when there are closures on state highways. Schedules can quickly change because of weather and other unforeseen situations. For the most up-to-date information, we encourage you to download the Interstate 10 Broadway Curve Improvement Project's free mobile app, [TheCurve](#) or visit the [Alerts section of the project website](#) before you travel.*

###

The I-10 Broadway Curve Improvement Project is identified in the Maricopa Association of Governments' Regional Transportation Plan, funded by a half-cent sales tax approved by Maricopa County voters in 2004 through Proposition 400. MAG identified the need for this project to reduce travel times on I-10 during peak hours; improve airport access; support ridesharing and transit; and prepare the region for future growth projections. Learn more about the major improvements [here](#).
